Soil Composition YELLOW CLAY, TUFF, BROKEN ROCKS

Vineyard Altitude 250 M.

Aging BARRIQUES (36 MONTHS)

Alcohol 14,5%

Acidity 5,7

Dry Extract 31,2

Note Dense, glossy purple color. Great visual impact. The nose first picks up the spicy notes of cinnamon and cloves, leaving fruits such as currants the task of enhancing a complex bouquet exalted by oaky notes. The good tannic fabric is impressive. Balanced entry and acidic component balanced by a solid, but not aggressive, body. Lovely, long finish with pleasant, fresh notes.
